

National Coalition of
Oncology Nurse Navigators

Tentative Agenda 3rd Annual Changing the Face of Cancer Care Conference

FUTURE OF THE ONCOLOGY NURSE NAVIGATOR, LOOKING

AHEAD... The focus of oncology nursing is expanding from traditional patient care to the navigation of patients through the complexities of treatment. NCONN promotes excellence in oncology patient care by supporting professional development among nurse navigators and advocating for the oncology nurse navigator within community and professional arenas.

Thursday, Sept 8, 2011
